Junior College	HSC Certification
79%	
<b>iNurture, Nagindas Khandwala College</b>	<b>2021 - 2024</b>
Honrs Specialization in Cloud Technology and Information Security	Bsc. Cs - Degree
9.98 CGPA	

## Tech Skills

Java	Amazon Web Services (AWS)
Python	Microsoft Azure
Linux Skills	Google Cloud Provider (GCP)
Git & GitHub	OpenStack Mitaka
YAML	Docker Containerization
Jenkins CI/CD	Kubernetes

## Projects

### Dockerized App: CI/CD on AWS

Deployed a Node.js app in a Docker container using Git for source control, and establish a CI/CD pipeline with Jenkins on AWS for end-to-end automation in development and deployment.

### Dockerized Hello World: Kubernetes Deployment on AWS

Containerized 'Hello World' app on AWS using Kubernetes with Docker, Nginx, Docker Hub, and service manifests for clusterIP access.

### Mitaka OpenStack on CentOS in AWS

Deployed OpenStack Mitaka on CentOS 7 in AWS using Packstack, establishing an efficient cloud infrastructure with integrated open-source components for seamless orchestration and management.
